Windshield Protection

Our windshield repair/replace coverage protects vehicle owners from unexpected costs related to windshield damage, including chips, cracks and full replacements. Modern windshields can be costly, especially with embedded sensors and ADAS technology. This coverage offers convenient, fast and often mobile service.

DEALER BENEFITS

- Avoid costly out of pocket repairs.
- Maintain vehicle appearance and safety.
- Prevent small chips from becoming large cracks.
- ADAS calibration - if vehicle requires recalibration, it's provided as part of the service.

ELIGIBILITY

- New and pre-owned vehicles are eligible for coverage.
- Only available at the time of vehicle purchase.
- All claims MUST have prior authorization.

EXCLUSIONS

- Cracks or damage to the front windshield caused by perils other than road hazard.
- Damage that occurs while the vehicle is operated off a paved public highway or street, outside the covered territory, or resulting from a traffic accident/collision.
- Exotic vehicles, including but not limited to Bentley, Rolls-Royce, Ferrari, Aston Martin, Lotus, Maserati, Maybach, and Lamborghini; or any vehicle with an MSRP over \$125,000.
- Pre-existing conditions or damage occurring prior to the agreement's effective date.
